you choose to purchase the Qi-Machine - Thank you! We appreciate your trust. In order to understand the subtle effects of our technology better, we have developed two questionnaires for you. To get a before-and-after comparison, you must complete this questionnaire before you receive the Qi-Machine. The second questionnaire has to be completed 25-30 days later. So that you can evaluate the questionnaire without bias and without influencing it, we recommend that you do not read the first questionnaire again before answering the second questionnaire. Please note that you should complete the questionnaires at the same time during day, preferably in the morning on an empty stomach. Thank you!

Thank you for answering the questions.

We look forward to receiving both completed questionnaires or returning them to your local sales representative / authorized dealer. The data you provide will only be used for internal evaluations and will be treated confidentially. We assure you that these will not be published or disclosed to third parties without your explicit consent.

The questionnaires are completely voluntary and help us to develop our products and to compile statistics. We would be very happy if you could provide us with your questionnaire.
